american schools are often the victims of numbers games because its education is in the hands of politicians the populace and pundits how americans view numbers science and research profoundly impacts the ability of politicians to manipulate our schools from pre k through graduate education even in classrooms teachers are routinely implementing flawed assessment strategies based on misguided assumptions about numbers and commonly held statistical truths american educators need to step out from under the restrictive mandates of politicians and their growing mania for measuring students they need to leave the numbers games behind and take control of their profession

most writing is done under pressure an executive has to produce a three page position paper by tomorrow at nine a department head suddenly has to write a one page action memo by noon a graduate student has a twenty page research paper due in a week yet while most students and professionals write under pressure with limited time limited space and a supervisor or instructor to please few approach the task systematically in writing under pressure sanford kaye a renowned expert on the subject presents a system he calls the quick writing process qwp that focuses on real world writing tasks and demonstrates how to produce the clearest most honest most powerful work possible under the constraints of time and space a writing instructor with twenty five years experience teaching students and professionals in business and government kaye tells writers how to

budget their time and how to use this time efficiently exploring particular writing situations in which qwp can be applied to make the most of what the writer knows kaye discusses the process of taking exams focusing on how instructors select questions and evaluate essays he also considers writing in business and government featuring an insightful analysis of a memo written by colonel oliver north this memo highlights one of the most important issues writers in business and government face whether to write the truth as they see it or simply what their bosses want to hear presenting a wealth of such examples kaye reveals how to break through stifling organizational codes in order to write memos and position papers that count while most guides to writing ignore the constraints of time and space writing under pressure tackles these problems head on making it an essential reference for students business professionals government officials or anyone else faced with a difficult writing assignment that has to be done now
