weve lost our way and god is calling us to return to him every church walks a path comprised of methods programs worship styles etc the paths our churches travel may have served us well in the past but they are losing their effectiveness with every passing day christian churches in america are facing the challenge of decline yet many cling to their current paths expecting fresh results of revival and renewal we are deceived and need direction god told israel through the prophet jeremiah this is what the lord says stand at the crossroads and look ask for the ancient paths ask where the good way is and walk in it and you will find rest for your souls but you said we will not walk in it jeremiah 6 16 niv today churches are standing at a crossroads the crossroads is a critical point of decision that can mean life and fruitfulness or death and extinction depending on the choices we make today will we stay on the unfruitful paths or will we seek god for the ancient paths of his choosing paths of holy spirit power and kingdom purposes at the crossroads the choice must be made the

crossroads points the way to the ancient paths of true kingdom fruitfulness

i am sure this book can bring god s enlightenment and wisdom in these last days in a much clearer way to people i have seen how the lack of wisdom has made western society crumble how everything is very confusing we no longer know what is true or false black or white good or bad the churches that once were the strong pillars that sustained and carried forward western society today have lost their credibility and power in the face of an increasingly unbelieving world even within the churches there is a lack of agreement because the guidance of the holy spirit has been lost and each christian thinks differently and not as god would like them to think to tell the truth i have felt this call of god for many years but i did not know how to begin until in these last two years god opened a door for me and made me write at first i did not think it was to make a book but after writing many things i felt that it was time to carry out that idea that i had years ago of making a book that would serve to bring blessing to people and to bring the light of the word of god that the world needs in the midst of the chaos and confusion of these last days it is not that i planned it or that i planned it for this time but that god took me to places and made me meet people who opened the doors for me to write this book and without these places and these people this would not have been possible i feel that if it is god s will and plan as i believe it is god will open the doors and this book will be published for the blessing of many people
