are you ready to take the next step in your author journey art for the sake of art is important writing for the love of it or to create something beautiful on the page is absolutely worthwhile and critical to expand the sum of human expression but i m not here to talk about creativity or the craft of writing in this book my aim is to take the result of your creativity into the realm of actually paying the bills to take you from being an author to running a business as an author i was a business consultant for 13 years before i gave up my job in september 2011 to become a full time author entrepreneur i worked for large corporates and small businesses implementing financial systems across europe and asia pacific i ve also started a number of my own businesses a scuba dive charter boat in new zealand a customized travel website a property investment portfolio in australia as well as my freelance consultancy i ve failed a lot and learned many lessons in my entrepreneurial life and i share them all in this book in the last six years of being an author through tempestuous changes in the publishing world i ve learned the business side of being a writer and i now earn a good living as an author entrepreneur i m an author because it s my passion and my joy but also

because it is a viable business in this age of global and digital opportunity in the book you will learn part 1 from author to entrepreneur the arc of the author's journey definition of an author entrepreneur deciding on your definition of success plus should you start a company part 2 products and services how you can turn one manuscript into multiple streams of income by exploiting all the different rights various business models for authors and how to evaluate them information on contracts copyright and piracy plus putting together a production plan part 3 employees suppliers and contractors the team you need to run your business your role as author and what you're committing to as well as co-writing editors agents and publishers translators book designers and formatters audiobook narrators book keeping and accounting virtual assistants plus how to manage your team part 4 customers in depth questions to help you understand who your customers are and what they want as well as customer service options for authors part 5 sales and distribution how to sell through distributors and your options plus all the information you need to sell direct isbn's and publishing imprints do you need them plus your options for pricing part 6 marketing key overarching marketing concepts book based marketing including cover back copy and sales pages on the distributors author based marketing around building your platform and customer based marketing around your niche audience and targeted media part 7 financials revenues of the author business and how to increase that revenue costs of the author business and funding your startup banking paypal accounting reporting tax and estate planning part 8 strategy and planning developing your strategy and business plan managing your time and developing professional habits the long term view and the process for becoming a full time author plus looking after yourself part 9 next steps questions from the book to help you work out everything to do with your business plus encouragement for your next steps appendices workbook and bonus downloads including a workbook and business plan template if you want to go from being an author to running a business as an author download a sample or buy now

while the us marine corps was one of the smallest of american armed services in world war ii its contribution to the final victory cannot be overstated the us marine corps may have only comprised 5 percent of america's armed forces but it suffered 10 percent of all world war ii combat casualties above all the amphibious nature of the war in the pacific imposed on the marine

corps greater tasks than any it had ever before been called upon to perform this title details the organization weapons and equipment of the us marines of world war ii

gung ho vol 2 picks up shortly after the events in short circuit where at fort apache the situation is more tense than ever as the threat posed by the rippers adds to an increasingly difficult life for the colony which is running out of supplies heavy weapons and ammunition in the midst of it all archer accuses bagster of raping celine and demands a public trial from kingsten but the trial does not go as planned instead of bagster it s archer who is accused betrayed and condemned by false evidence he is exiled from fort apache and tattooed with a cross on his forehead a mark that makes him an outlaw unable to seek refuge in any colony whatsoever but zack doesn t believe in his brother s guilt so an expedition is launched into the danger zone unbeknownst to the rest of the community the teens go to look for archer if he is still alive the expedition will not be without risks though nor without unpleasant surprises gung ho volume 2 collects the next two storylines of the critically acclaimed series sexy beast and anger into one terrific tension filled volume bonus a complete cover gallery

yuki continues to make her presence felt at fort apache drawing the interest of zack and the ire of pauline and two of the boys while on guard duty have their first encounter with one of the lost a permanently exiled member of the community who pose their own kind of threat against the group
